EXAMINER'S ACTION

Art Unit 2202

1. This application has been filed with informal drawings which are acceptable for examination purposes only. Formal drawings will be required when the application is allowed.

2. Claims 1-19 are rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The difference between "selecting", "generating" and "extracting" target specific information needs to be clearly defined in the context of the claims.

3. An inquiry concerning this communication should be directed to David Cain at telephone number 703-308-0463.
